To Whom It May Concern:

I am writing to let you know that I have received notice of the class action suit you just settled, but I am not joining that class action suit. I am starting another class action suit against you. If you pull my previous correspondence with your organization it shows that you have violate many rights with me. I have sent copies of all the complaints I filed with the CFPB against your 2 companies and the many violations. I am offering you the opportunity to settle out of court with me for \$50,000.00 to prevent another class action suit being completed against you. We have 63870 people who have sent documents and confirm they want to sue for more money. My attorney had advised that since I am the primary plaintiff in the suit I can settle before going to court and he would rescind the petition to sue.

In view of the fact that you have already lost, (settled) one class action suit it should not be hard with all of my documentation plus documents of others to sue for more than what they asked for in the previous law suit. If I have no response to you in by 10-15-2017 I will assume you do not want an amicable settlement and will proceed with full legal remedy.

Sincerely,

Lisa Davis

To Whom It May Concern:

Obviously you misread the letter or thought this was a slick way to address the fact that you allowed laws to be broken but do not want to accept responsibility. The letter is to inform Navient, USA Funds and GC services that I am pursuing full legal remedy against your companies for ignoring a court order and violating FDCPA. In addition I am filing criminal charges for life endangerment. Please read the letters before you respond with nonsense. I never asked you to investigate what was being reported to the credit bureaus. Nice try though.

Sincerely,

Lisa Davis

SEE The next
Page for explanation
of this statement

Please be advised that you have violated a court order for the second time. Brandon with GC services did the same thing in December of 2014 he had the notice from the Judge that \$50 per month was the judgment yet he sent the paper work for 15%.

Now again on February 2, 2016 GC services sent garnishment to my employer for 15% per pay period. This is in total defiance of the judgment signed and decreed on January 12, 2016 and I know that GC services received a copy of this judgment. When I spoke to Larissa on February 10, 2016 she said there is no way that garnishment is from GC services we didn't send anything to the employer until 02-09-16.

Then when I called back 02-11-16 and spoke to Larissa Perry, she researched further and found where notice was mailed on 02-02-16 but she said the notes plainly stated for \$50 per month. Then her manager got on the phone and wanted to say the same thing so I tried to do a 3 way call with my employer and the manager. The manager hung up while I was dialing my employer.

I called back and Jessie refused to let me speak to anyone. Saying how ridiculous I was to be upset that GC services took \$184.83 out of my check when I owed over 58k. He said I could not speak to anyone in the Wage Garnishment division. I then got the paper work from my employer I called the number on there and the woman would not give me her name and she transferred me back to the same department Jessie and Larissa were in and she refused to speak to me.

I truly believe that GC Services and USA funds intended to cause detrimental harm to me by causing extreme stress and financial hardship. I have breast cancer and have provided that proof numerous times. Stress accelerates the growth of the disease and thanks to this disregard to the judgment I was unable to get my medication filled for this treatment so it had to be delayed which can give more time for the cancer to spread.

I am suing and will seek the full amount allowed by law which is FOUR (4) times the amount of the debt I owe. That amount is pursuant with the FDCPA; in addition I will ask for another \$250,000.00 for punitive damages and charge you with life endangerment.

I also called USA Funds (NAVIENT) and tried to explain the issue to them and Melissa said she was not the person to help me and she could not find the person to help me.

Sincerely,

Lisa Davis

In addition to violating a court order and garnishing my pay for more than the court order allowed, GC services also violated FDCPA regulations. Using false and deceptive practices to collect a debt by taking the following actions:

- 1) Calling from unidentifiable phone numbers with the same area code as I live in
- 2) Not leaving messages that identified who they were
- 3) Not leaving a message at all
- 4) Calling 4 times in a 10 minute period
- 5) When answering the phone on a returned phone call not identifying who they are until you give ss#
- 6) Discussing my debt with a neighbor when the called trying to get information about me

Please be advised I have filed the same complaint with CFPB, FTC and the Attorney General of the United States. Next 2 pages show proof this isn't the first time you have done this. I have sent you a request to resolve this out of court and with no other parties. If we go to court I also have names of 1928 people just in my area for the

Also the fact that you have taken over 10,000 in tax refunds yet my balance never decreases so where does that money go? Just some things for you to consider, your organization was notified 02-04-16 of the complaint and has chosen to ignore it. My attorney advised me to make a final attempt because once petition I formally filed the attorney costs and court costs start to add up and we will sue for those amounts also.

Lisa Davis

To Whom IT May Concern:

My complaint wasn't that I owe the money. My complaint is that you go through the process and 3 judges tell you that \$50 per month is all I can afford. Your agencies then take one payment, then the agency cancels the garnishment and then a new agency starts and here we go with another judge same routine same outcome.

I am not rich. I have breast cancer; I do not know what you people do not understand about that situation. So \$50 is fine per month. If you take any more then I will sit home get die. The only reason I work is to keep benefits anyway. That is why I have lived 6 years with breast cancer.

Your information about Pioneer Credit Recovery is totally incorrect. They did not submit any of my paper work at all to the Judge Troutwine for the decision to be made. Then in fighting with them I saw on your own guidelines that I had to have been employed for 12 months and proved they knew that because they called my employment line every week for 6 months. So they also falsified that information. I actually have a letter from Pioneer Credit saying paid in full. So they did not cancel the garnishment because of my complaint. They were taking the money. They cancelled the garnishment because they falsified the documents to get the garnishment. As a collection agency I can sue them for 4 times the amount of the debt. GC Services did the same thing they were told \$50 per month. But even though they knew they were waiting for information from hearing on 12-18-14 they sent the garnishment to my employer 12-12-14 for the 15% then when they got the notice that only \$50 per month they cancelled the garnishment.

So although 3 judges have told you and your agencies \$50 per month is all I can afford once they get that notice and realize they are not going to make a fortune off fees etc. they cancel the garnishment and then a new agency starts. That is gross abuse and harassment. It also endangers my job and my health by making my employer think I have numerous garnishments.

So I will send the \$50 per month that has been ordered by 3 judges. I do not care to rehabilitate I will not live long enough, nor can I afford it. As far as calls if your agencies would call from one number and leave a message I would call back but when they call from multiple numbers that cannot be identified and do not leave messages I can't. I block numbers I do not know that do not leave messages. It is a game your agencies play to hide their identities. It took you a year to respond. We have 68,294 signatures to start class action suits against your agencies for their deceptive and unethical practices.

Sincerely,

Lisa Davis

Dear Ms. Davis:

Thank-you for contacting Pioneer Credit Recovery, Inc. (Pioneer) in regards to E34528.

On September 9, 2012, United Student Aid Funds, Inc. placed your defaulted student loans in our office for collections. Our representatives made multiple attempts to contact you via telephone and regular mail. Per the Fair Debt Collection Practices Act, we are unable to provide our company name on our envelopes as the name alludes to a debt collection company. Due to no response or voluntary arrangement being established on your account, the processing for administrative wage garnishment was started. The automated process for obtaining your employment status was processed until our representatives were able to receive a valid verification. On January 2, 2013, our representative verified your employment and during the conversation was advised you had been employed for longer than 12 months. On January 8, 2013, our office issued the Notice Prior to Wage Withholding to you via regular mail. On January 31, 2013, our office received notice from you claiming a financial hardship; however, you did not provide any supporting documentation regarding your claim. On February 22, 2013, the scheduled date of your wage garnishment hearing was mailed to you via regular mail. The hearing was scheduled for March 15, 2013. The wage garnishment hearing is not held in our office. On March 15, 2013, the decision by the administrative law judge was to continue the wage garnishment at 15% of your disposable income. The decision was sent to you via regular mail on March 19, 2013. On March 20, 2013, the garnishment order was issued to your employer. You contacted our office on March 25, 2013, inquiring on how to establish a voluntary arrangement on your account. Our representative provided you with the benefits of the Loan Rehabilitation Program, but during the conversation no arrangement was established. Our representative again, made multiple attempts to contact you regarding the status of your account. You contacted our office on February 18, 2014, and enrolled in the Loan Rehabilitation Program. The representative advised you upon receiving all necessary documents for the Loan Rehabilitation Program; our office would notify your employer to decrease your wage garnishment to 10% of your disposable income.

On February 24, 2014, you contacted our office regarding your recent tax offset. Our representative advised you at any time you are in a defaulted status you are subject to involuntary collections including tax offsets and administrative wage garnishment. Later that evening, you contacted our office and advised our representative you consolidated all of your student loans. Our representative advised you we had not received notification of the consolidation, and the payments on file would remain until the consolidation was funded. On March 18, 2014, our office issued notice to your employer requesting the wage garnishment amount decreased to 10% of your income. On April 1, 2014, you contacted our office inquiring on the status of the notice to your employer. Our representative advised you the facsimile was unsuccessful, and you stated you would contact our office with another number. You inquired on the status of the garnishment, once the consolidation had funded. Our representative advised you once the consolidation funded, the wage garnishment would be terminated. On June 17, 2014, your consolidation funded and your account reflects a paid in full status. On June 18, 2014, our office issued notice to your employer requesting the termination of your garnishment.

Should you have questions and/or concerns regarding the account, you can contact our Senior Collection Manager, Mr. Brad Regan at (866) 746-4910 ext. 28395.

Dear Ms. Davis:

This letter is in further response to your inquiries about your defaulted student loan account. You are concerned about the garnishment of your wages and the collection of your account. We apologize for the delay in responding.

Our records show USA Funds holds in default 10 Federal Stafford Loans you received through the Federal Family Education Loan (FFELSM) Program to attend Delgado Community College. USA Funds is a guaranty agency that insures FFELs. USA Funds employs Navient (formerly Sallie Mae) to service its defaulted accounts. Navient, in turn, frequently employs collection agencies to collect accounts.

The consequences of default are severe. The Higher Education Act of 1965, as amended, allows for garnishment of a defaulted student loan borrower's wages. The loan holder is not required to sue the borrower in court to garnish his or her wages. However, the loan holder is required to notify the borrower of its intent to garnish and what steps the borrower must take to avoid garnishment: Generally, the borrower must make satisfactory repayment arrangements with the loan holder or request a hearing to dispute the debt or object to the amount or the rate of the garnishment. If a borrower fails to do so, the loan holder will notify the borrower's employer to garnish his or her wages.

A member of our staff contacted Navient and spoke with an ombudsman, who indicated that at your request, Pioneer Credit Recovery (Pioneer)—the collection agency Navient employed—conducted a hearing in May 2014. Although the conclusion of the hearing was that Pioneer could proceed with wage garnishment, it elected not to at that time because you claimed you had been employed less than 12 months at your current employer.

Because you declined to make voluntary payment arrangements, Navient again initiated the wage garnishment process in late 2014. You again requested a hearing, at which a determination was made that Navient could garnish only \$50 per month from your wages. Navient later suspended the wage garnishment process.

Your wages are not currently being garnished. However, the ombudsman noted that you still have not made voluntary repayment arrangements. In addition, you have not provided Navient and its current collection agency, GC Services, with a valid telephone number for you. In accordance with the terms of the promissory notes you signed, you are responsible for ensuring that your loan holder has current contact information for you at all times.

You may be able to resolve the default status on your account through loan consolidation or rehabilitation. The enclosed *Defaulted Student Loans Fact Sheet* discusses loan consolidation and rehabilitation and explains the provisions of the U.S. Department of Education's (ED's) loan programs and the consequences of default.

You must remain in contact with GC Services at 1-800-753-8354 to obtain more information about consolidation and rehabilitation and to make repayment arrangements. A defaulted FFEL becomes *payable in full* at the time of default. If you choose not to have your account consolidated or rehabilitated, any arrangements for less than full payment are made according to USA Funds' policies and procedures.

Regarding the collection of your account, guaranty agencies such as USA Funds entered into an agreement with ED to administer the FFEL Program in a state. The guaranty agency insured the loans, and the federal government reinsured them. Under the terms of the agreement, the guarantor may collect defaulted FFELs through several means. In doing so, the guarantor must follow FFEL Program regulations and debt collection laws. FFEL Program regulations take precedence over state laws; therefore, the guaranty agency is not subject to state laws in collecting FFELs. Collection agencies employed by a guaranty agency also are exempt from any state law that would prevent the agency from taking the steps required under the regulations.

These exemptions do not mean that a collection agency may allow its staff to verbally abuse the borrower or to engage in activities prohibited by FFEL Program regulations. If you are dissatisfied with the way your account is being collected, you should contact USA Funds, which employs the collection agency.

We hope this information is helpful.

Sincerely,

Trouble with

YOUR COMPLAINT

Earlier this year I filed a complaint with the CFPB because GC Services had violated a court order and garnished my check for 15% of my pay instead of the 25.00 per month as ordered by the judge. This action prohibited me from getting my medicine that I am required to take before chemo treatments and therefore set my treatments back by 12 weeks. When I called to ask the to refund my money and take the right amount they refused and even laughed at me. I contacted USA

FUNDS who ignored the matter until you sent them notice that I filed a complaint. GC services never did respond but all usa funds did was admit they saw the "mistake" refunded my money 3 months later and the employee had been reprimanded. They had no concern for my life of the fact that my chemo regimens were now set back 12 weeks. Just wanted to lecture me about paying the loans. It was court ordered that I pay \$25 per month by garnishment fine take your money but they took over 6 times that amount out of one paycheck. USA said well since you threatened a law suit we sent the file back to Pioneer Credit who had done the same thing 2 years ago. They get no punishment and have no concern for human life. NOW GC services is collecting again. I do have phone records to prove that pioneer credit called once any hour for 4 hours on some days and then on other days called 5 times and on 2 days called 8 times. this is violation of FDCPA. I am suing GC SERVICES and USA FUNDS for endangering human life, violation of court orders and harassment. How come they do not have to be held accountable for breaking the law but they think they can hold everyone else accountable. I have sent papers to the attorney general in NY filing claims for violating FDCPA against Pioneer Credit. Why don't you hold these loan companies accountable for the harm they do without regards to people. I followed the rules sent my hardship paperwork in, sent my medical records in (violation of privacy), sent my pay stubs and bills in to prove to a JUDGE who said I could only afford \$25 per month yet these companies ignore it and then get no punishment. I am suing for 4 times the amount of the debt for violating court order and

FDCPA then suing for personal damages for endangering my life by taking more money than ordered from my pay check and ignore my calls and faxes letting them know they were taking the incorrect amount. My payroll department is sending me all documents received for garnishment which will show 2 times that GC SERVICES should have garnished for \$25 per month yet garnished for 15% of my pay. The first time I knew about it in time enough to send the court order to my payroll department myself and they only took the \$25. Then GC services stopped trying to collect for a year another agency was trying then Pioneer CREDIT and then GC SERVICES again who for the second time ignored a court order and garnished for 15% and refused to refund the money and laughed at the fact that I could not get life sustaining medication.

2016, we received a complaint from Ms. Davis referencing this Administrative Wage Garnishment issue. GC Services addressed her allegations in a response submitted to the CFPB on May 19, 2016. 3. In our first response, GC Services acknowledged that we carried out administrative duties related to Administrative Wage Garnishment on behalf of our client. In carrying out those administrative duties, we made an error. 4. An Order of Withholding was mailed to Ms. Davis' employer on February 2, 2016. This order did not specify the correct garnishment amount. The error was promptly discovered and a corrected order was sent to Ms. Davis' employer on February 9, 2016 indicating the correct garnishment amount. 5. There was an overage in Ms. Davis' withholdings that resulted from the error and a refund for this was made on May 10, 2016. 6. Ms. Davis' account was recalled from our office on April 15, 2016, prior to the filing of her first complaint. 7. While Ms. Davis' account has been placed with our office on multiple occasions, the most recent placement of her account occurred on September 4, 2016 with a pending balance due and owing to our client. 8. Since Ms. Davis' account has been placed with our office, our collection efforts have resumed. However, there has been no contact with Ms. Davis. 9. Ms. Davis states in her complaint that a GC Services employee laughed when she said she was not able to obtain life-saving medication. We reviewed all call recordings associated with Ms. Davis account and found no evidence of poor customer engagement. 10. We apologize for any inconvenience caused through our collection efforts. We would like to work with Ms. Davis in efforts to resolve her account. However, due to the filing of this complaint, we have placed Ms. Davis' account into a hold status which will prevent any further collection activity from occurring. Dear Ms. Troutwine:

I do not think all of the facts were presented correctly to you before you signed an order for my wage garnishment. Please find below my dispute which was sent to the original creditors on the account. They never asked for more proof or hardship or sent any correspondence after receiving the form they asked me to fill out and return. I would also like to know why they have to get a judge from Missouri when they are located in NY, FL and NJ. The envelope was not marked and could have been thrown out as junk mail but that is the issue. It is a curiosity that I would like an answer to.

Sincerely,

Lisa Davis

I do not like Pioneer Credit Recovery because I still have a recorded call from 2007 where they committed 3rd party disclosure to a neighbor and then called my job and lied and said I had applied for a job and they wanted to verify income. I was fired because of that call because they thought I was

I would like a response to this email please. I have sent a copy off the garnishment and your grounds (false as they are) to the U.S. Attorney General and the The Department of Education.

1) I have not been employed for 12 consecutive months. My start date was 09-23-13. That violates my rights.

2) I have no disposable income which can be proven by the bills I have and the income I make.

3) The only reason I even keep trying to work is because I need the insurance. Even since The Affordable Care Act does not count for pre-existing conditions if you have one the prices are highe. I have had breast cancer and now it has returned. I have soft tissue sarcoma.

4) You asked on your form what I could afford and I told you the truth, nothing.

5) You never offered me any hardship payment plan or anything that might be reasonable. When I was working before I only had to pay \$30 a month. I could try that.

If we cannot come to an agreement you are forcing me to be homeless and jobless. I have also sent proof of that to the proper authorities. You already hold my refund every year from the IRS yet I get no credit for that payment.

I am making a formal request for the original copies of my loan documents. I think the amounts you say I owe for and the dates you have are incorrect. In reviewing my own records I find discrepancies.

Lisa Davis

I would like a response to this email please. I have sent a copy of the garnishment and your grounds (false as they are) to the U.S. Attorney General and the The Department of Education.

1) I have not been employed for 12 consecutive months. My start date was 09-23-13. That violates my rights.

2) I have no disposable income which can be proven by the bills I have and the income I make.

3) The only reason I even keep trying to work is because I need the insurance. Even since The Affordable Care Act does not count for pre-existing conditions if you have one the prices are highe. I have had breast cancer and now it has returned. I have soft tissue sarcoma.

4) You asked on your form what I could afford and I told you the truth, nothing.

5) You never offered me any hardship payment plan or anything that might be reasonable. When I was working before I only had to pay \$30 a month. I could try that.

If we cannot come to an agreement you are forcing me to be homeless and jobless. I have also sent proof of that to the proper authorities. You already hold my refund every year from the IRS yet I get no credit for that payment.

I am making a formal request for the original copies of my loan documents. I think the amounts you say I owe for and the dates you have are incorrect. In reviewing my own records I find discrepancies.

Sincerely,

Lisa Davis

Thank you, I do hope you enjoy your weekend. I know it is a holiday but unfortunately I have to worry about this issue all weekend. Pioneer Credit Service never asked for more documentation or offered any alternative plan. I was waiting to here from them after sending in the initial hardship form and paper work. I never heard a word until I received notice of the garnishment. I did not even know what day the hearing was. I should at least been given a fair chance to tell you why I could not pay and if you wanted more evidence provide that to you.

Sincerely,

Lisa Davis

G.T. Troutwine and PCR,

Since you did not respond to my appeal for a fair hearing, I have taken the next steps towards legal remedy. A district judge in my parish has informed me that by law the office of G.T. Troutwine should have sent certified notification to me giving me the date and time of my hearing. By not doing this you have violated my constitutional rights to be given a fair hearing. It shows complete bias to PCR because they are paying your fee. PCR did not notify me of the hearing either, so the result of your partnership was G.T. Troutwine heard one side of the case, tried the case and rendered judgment of the case with no input from me.

I will file personal suits and participate in class action suits against G.T. Troutwine, Troutwine Law Firm, PCR, USA funds and Sallie Mae. The attorney's and advocates are free and love helping people receive fair treatment and put people like you out of business. A complaint has been filed with Missouri State Bar Association.

Incorrect and intentional false information was used to gain the judgment. I have not been employed for 12 consecutive months which is a guideline set up by the department of education (they are being served notification of suit also). You did not answer any of the hard ship issues. That is perjury and falsifying public records.

The emotional stress accelerates the growth of cancer cells and that endangers my health. My blood pressure is monitored daily by a nurse and since this began it has gotten as high as 211/162 which could cause a stroke. The financial hardship you have caused will leave me homeless and without health insurance which also puts my life in danger.

We have started a website and a mass media notification to everyone listed in public record as having a student loan to see who signed it to determine if their rights to fair hearings are being overlooked because you just sign without reading or notifying anyone that there is a hearing.

I am truly sorry we could not come to an amicable, fair and honest resolution.

Sincerely,
Lisa Davis

IN ADDITION TO NOTIFYING MEDIA ABOUT YOUR ASSOCIATION WITH NCO AND THEIR RAP SHEET WITH THE LAW, I HAVE ALSO STARTED A PETITION AT 7 LOCAL UNIVERSITIES TO GET PARENTS AND STUDENT DEMAND THAT SALLIE MAE BE AUDITED FOR FRAUDULENT PRACTICES, HARRASSMENT AND NEGLIGENCE AND SEE IF YOU ARE IN THE SAME BOAT AS FANNIE MAE AND FREDDIE MAC FOUNDED UNDER THE SAME GUIDE LINES AS SALLIE MAE. WE ALL HAVE PROOF THAT JUST BECAUSE IT IS THE GOVERNMENT OR BIG BUSINESS DOES NOT MEAN IT IS LEGAL OR ETHICAL

ALSO IF YOU KEEP ALLOWING NCO TO GARNISH MY WAGES AFTER YOU HAVE BEEN NOTIFIED THAT I QUALIFY FOR YOUR PROGRAM OF UNEMPLOYMENT DEFERMENT AND I HAVE THE LETTER THAT STATES USA FUNDS WILL DEFER NOT NCO I CAN SEEK LEGAL DAMAGES FOR UP TO 4 TIMES THE AMOUNT OF THE DEBT PLUS PERSONAL DAMAGES FOR THE STRESS AND MEDICAL ISSUES THIS SITUATION IS CAUSING. I AM PURSUING FULL LEGAL RAMIFICATION AGAINST USA FUNDS AND SALLIE MAE FOR HIDING BEHIND NCO AND ALLOWING THEM TO VIOLATE MY RIGHTS.

ALSO HAVE PROOF THAT PIONEER CREDIT ALSO OWNED BY SALLIE MAE CLAIMED TO BE A DIFFERENT COMPANY AND SAID I APPLIED FOR A JOB WITH THEM TO GET A REFERENCE FROM A FORMER EMPLOYER AND GOT ME FIRED, WHEN THEY HAD BEEN TOLD NOT TO CALL THERE ANYMORE AND I HAVE THE RECORDED CALLS TELLING THEM NOT TO CALL THAT I WAS NOT ALLOWED PERSONAL CALLS AND WHEN THEY CALLED AND IMPERSONATED ANOTHER COMPANY AND COMMITTED FRAUD, THAT IS ALSO A VIOLATION UNDER FAIR DEBT COLLECTION PRACTICES.

THE MORE YOU TAKE FROM ME AND CAUSE ME TO MISS MY CHEMO PILLS BECAUSE OF GARNISHING THAT IS ALSO HARASSMENT AND ENDANGERMENT AND I MAY DIE BUT MY FAMILY WILL FOLLOW THROUGH WITH THIS SUIT

I am still waiting for an answer as to why Sallie Mae is hiding behind NCO, I have the proof that your own credit collection Pioneer violated several provisions in the FDCPA and now you and your subsidiary USA FUNDS are also violating my rights, I have sent you copies of your own documents that stated that if I was unemployed in the last 12 months that you would wait until I was employed for a consecutive 12 months before you started garnishing my wages. I have sent proof to NCO and to USAFUNDS and have signed mail receipts to prove that you received them and they were received before the dead line and that you failed to contact me before garnishing my wages because you were sending information to the wrong address.

As stated previously I have filed complaints and am proceeding to gather information to pursue legal remedy, and you just hide behind nco and they never respond either. By law I should have been served papers to appear in court before you could garnish my wages and that never happened. I received one letter one week before the deadline and that was because a neighbor opened it and read it and decided to give it to me since you had been sending her my mail that was returned to you as wron address for months.

I have sent copies of all emails to appropriate offices to show that you are ignoring a gross violation of my rights by companies acting on your behalf. You have had 5 months to rectify the problem and still choose to ignore it

Sincerely

18. Do I have to come to the Fairness Hearing?
19. Where can I get additional information?

BASIC INFORMATION

1. Why did I get this notice?

You are receiving this notice because you were identified as: (a) a person to whom Pioneer Credit Recovery, Inc. ("Pioneer") sent a letter concerning administrative wage garnishment between June 27, 2015, and July 24, 2017, in an attempt to collect a student loan debt; or (b) a person to whom General Revenue Corporation ("GRC") sent a letter concerning administrative wage garnishment between February 22, 2016, and July 24, 2017, in an attempt to collect an alleged student loan debt.

2. What is this lawsuit about?

This lawsuit alleges that Pioneer and GRC violated a federal law, the Fair Debt Collection Practices Act ("FDCPA"), 15 U.S.C. § 1692, *et seq.*, by threatening administrative wage garnishment without first giving you proper notice of your right to demand documentation about your student loan and to demand a hearing before your wages could be garnished.

3. Why is this a class action?

In a class action, one or more people called Class Representatives (in this case, Biber, Levy, and Kozak) sue on behalf of a group (or a "Settlement Class") of people who have similar claims. In this case, the Settlement Class Representatives filed lawsuits alleging that Pioneer and GRC's debt-collection letters violated the FDCPA.

4. Why is there a Settlement?

The Court has not decided which side is right or wrong in this case. Instead, both sides have agreed to a settlement to avoid the costs, risks, and delay of a lengthy trial and appeals process.

5. How do I know if I am a part of the Settlement?

For settlement purposes, the Court has approved a Settlement Class that includes all people who meet the following definition:

All natural persons in the United States of America who are similarly situated to the Plaintiffs in that: (a) Pioneer sent them a letter in a form substantially similar or materially identical to Exhibit A or Exhibit B between June 27, 2015, and continuing to the date that an order is entered certifying this class; or (b) GRC sent them a letter in a form substantially similar or materially identical to Exhibit C or Exhibit D between February 22, 2016, and continuing to the date that an order is entered certifying this class.

According to Pioneer and GRC's records, there are 217,815 people in the Settlement Class. *According to Pioneer's and GRC's records, you are a Settlement Class member and, therefore, entitled to receive a portion of the settlement proceeds by filing a claim form as described below.*

YOUR BENEFITS UNDER THE SETTLEMENT

Pioneer and GRC have agreed to pay the total cash sum of \$2,745,000 to the Class Representatives and the Settlement Class and as full and complete settlement of this lawsuit. This sum shall be used to make all payments, including notice and administration costs and attorney fees and costs approved by the Court under this Settlement, as well as all payments to the Settlement Class Representatives and to Settlement Class members such as yourself (see Question 6). If you submit a claim form in which you attest that you were employed or seeking employment when you received the collection letter from Pioneer or GRC, you will receive twice as much from the settlement fund than you would if you do not so attest.

6. What can I get from the settlement?

If you postmark and return the enclosed Claim Form by **November 21, 2017**, to Rust Consulting, Inc., you will be entitled to a portion of the settlement proceeds. No Settlement Class member is eligible to receive more than one check for their share of the Settlement Class recovery.

7. I want to be a part of the Settlement. What do I do?

If you would like to receive a payment, you must postmark and return the enclosed claim form by **November 21, 2017**, to Rust Consulting, Inc.

8. What am I giving up if I remain in the Settlement?

By staying in the Settlement Class and not excluding yourself from the Settlement, you will be considered a member of the Settlement Class. This means that you give up your right to sue or file a lawsuit against Pioneer and GRC, its corporate affiliates, subsidiaries, principals, and agents for anything related to Pioneer and GRC's letter to you threatening administrative wage garnishment.

9. How much will the Settlement Class Representative receive?

For their claims under the FDCPA and for their service as Class Representatives, the Settlement Class Representatives will receive the following: Attila Biber: \$12,500; Sandra Levy: \$10,000; Sara Kozak: \$5,000. These payments are subject to the Court's approval.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to participate in the Settlement, but you want to keep your legal claims against Pioneer and/or GRC, then you must take steps to exclude yourself from the Settlement Class.

10. How do I get out of or exclude myself from the Settlement?

To exclude yourself from the Settlement, you must send a written request by mail stating that you want to be excluded from the Settlement Class in the consolidated case, *Biber v. Pioneer Credit Recovery, Inc.*, Case No. 16-CV-804.

To be valid, a written request for exclusion must be signed by you or your attorney and must include: (1) your name and address, and (2) the following sentence: "I/we request to be excluded from the settlement in the Biber, Levy, Kozak action."

You must mail your exclusion request so that it is postmarked no later than **November 21, 2017**, to the Settlement Class Administrator:

RUST CONSULTING INC - 5764
PO BOX 2605
FARIBAULT, MN 55021-9605

You may not exclude any other person within the Settlement Class from the Settlement.

11. If I exclude myself, what happens?

If you exclude yourself from the Settlement Class, you will not receive anything resulting from the Settlement. Depending on when you received the letter that is the subject of the Settlement, you may have the right to sue Pioneer and/or GRC relating to the claims raised in this case, either on your own or as a part of a different lawsuit.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in this case?

The Court has named Thomas R. Breeden, P.C., the Bromberg Law Office, P.C., the Law Office of Dale W. Pittman, P.C., and Edelman, Combs, Lattuner & Goodwin, LLC as lawyers to represent the Settlement Class ("Class Counsel"). You will not be charged for these lawyers' services; however, they will receive a payment as part of the Settlement in an amount not to exceed \$916,666.67, subject to the Court's approval. If you want to be represented by your own lawyer, you may hire one at your own expense.

13. How will the lawyers be paid?

When Class Counsel asks the Court to approve the settlement, they will also make a motion to the Court for an award of attorneys' fees and reimbursement of expenses, in a total amount not to exceed \$916,666.67. The amount of attorneys' fees and costs awarded by the Court will be paid by Pioneer and GRC out of the \$2.745 million settlement fund. Settlement Class members do not have to pay anything toward the fees or expenses of Class Counsel. Class Counsel will seek final approval of the settlement on behalf of all Settlement Class members. You may hire your own lawyer to represent you in this case if you wish, but it will be at your own expense.

CLASS COUNSEL'S VIEWS ABOUT THE SETTLEMENT**14. Is this a fair settlement?**

Class Counsel believes this settlement is fair. Mr. Biber, Ms. Levy, and Ms. Kozak claim that Pioneer and GRC violated the Fair Debt Collection Practices Act ("FDCPA"). The FDCPA is a federal law that provides for both individual actions and class actions, and the person bringing the suit also may recover attorneys' fees and the expenses of prosecuting the suit, if the lawsuit is successful. In an individual FDCPA action, the person bringing the suit may recover: (1) any actual damages sustained by the person as a result of any proven violation, (2) statutory damages as the court may allow, but not exceeding \$1,000, and (3) in the case of a successful action, reasonable attorneys' fees and costs.

Class Counsel believes that in light of the risks of losing the case, the Settlement is fair and reasonable. If you submit a claim form, you will receive settlement funds from the \$2.745 million settlement fund. Class Counsel believes this sizable fund represents ample compensation for the violations of the law alleged by the Settlement Class Representatives.

15. What is the Defendant's view of this Settlement?

Pioneer and GRC deny that they violated the FDCPA. Pioneer and GRC desire to settle the claims of the Settlement Class to avoid the expense, burden, and uncertainty of further litigation, and to put to rest all claims related to the collection letters concerning wage-garnishment on student loans sent to the Settlement Class members between June 27, 2015, and July 24, 2017.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or some part of it.

16. How do I tell the Court that I do not like the Settlement?

If you are a Settlement Class member, you can object to the Settlement in writing. In order to object to the Settlement in writing, you must send a letter or legal brief stating that you object and the reasons why you think the Court should not approve the Settlement. Specifically, your objection must: (a) attach documents establishing, or provide information sufficient to allow the Parties to confirm, that the objector is a Settlement Class Member; (b) include a statement of such Settlement Class Member's specific objections; and (c) state the grounds for objection, as well as identify any documents that such objector desires the Court to consider.

You must mail your objection so that it is postmarked no later than **November 21, 2017**, to:

Clerk of the Court
United States District Court for the Eastern District of Virginia
Albert V. Bryan U.S. Courthouse
401 Courthouse Square
Alexandria, Virginia 22314

You must also send a copy of your objection by U.S. Mail and/or facsimile, with any such mailing or facsimile postmark/time-stamped no later than that same date to:

THE FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the settlement. You may attend the hearing if you wish, but you are not required to do so. If you wish to be heard at the Fairness Hearing, you must file with the Court and serve on all parties a Notice of Intention to Appear five (5) business days before the Fairness Hearing.

17. Where and when is the Fairness Hearing?

The Court will hold a Fairness Hearing on **January 5, 2018, at 10:00 a.m.**, in the courtroom of the Honorable T.S. Ellis, United States District Judge, 401 Courthouse Square, Courtroom 900, Alexandria, Virginia 22314. The purpose of the hearing will be for the Court to determine whether the proposed settlement is fair, reasonable, and adequate and in the best interests of the Settlement Class and to determine the appropriate amount of compensation for Class Counsel. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the proposed settlement. It is not known how long the Court will take to make its decision. In addition, the Court may continue or reschedule the hearing at any time without further notice to you.

18. Do I have to come to the Fairness Hearing?

No. Class Counsel will answer questions the Court may have, but you are welcome to come at your own expense. If you send a written objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. You are not required to attend the Fairness Hearing to be included in the Settlement.

Dear ATTILA BIBER:

ADMINISTRATIVE WAGE GARNISHMENT PROCEEDINGS NOTICE

This may be your last opportunity to make satisfactory payment arrangements on your student loan(s). If these arrangements are not made, we will begin or continue the process of verifying your employment for Administrative Wage Garnishment.

The United States Congress has enacted a law (Public Law 102-164; 20 U.S.C. 1095(a) et seq.) that allows guarantors, such as United Student Aid Funds Inc to offset the wages of student loan defaulters without filing a lawsuit.

Provisions of Public Law 102-164 state in pertinent parts:
"a guaranty agency may garnish the disposable pay of an individual to collect the amount owed by the individual if he or she is not currently making required repayments; and (ii) the amount deducted for any pay period may not exceed 15 percent of disposable pay."

This provision overrides all applicable state law, and allows for the garnishment of student loan defaulter's wages. Before an administrative order is issued, defaulters are given notice and an opportunity for a hearing as part of this federal wage offset program.

After the completion of this administrative offset process your employer may be ordered to deduct 15% of your disposable income before you are paid. If your employer does not comply with this order, a lawsuit may be filed against your employer.

Because the use of this federal wage offset law could reduce your take-home pay substantially, we are providing you with a chance to establish a satisfactory payment arrangement so you can voluntarily satisfy your obligation on more reasonable terms. We are hoping we can reach a satisfactory agreement before we proceed with further action.

PAST DUE BALANCE

Dear SANDRA LEVY:

ADMINISTRATIVE WAGE GARNISHMENT PROCEEDINGS

This may be your last opportunity to make satisfactory payment arrangements. If arrangements are not made, we will begin or continue the process of verifying your Wage Garnishment.

The United States Congress has enacted a law (Public Law 102-104, 20 U.S.C. 10911a) which allows the United States to offset the wages of student loan guarantors, such as United Student Aid Funds Inc. to offset the wages of student loan guarantors.

Provisions of Public Law 102-104 state that if a guaranty agency... may garnish the disposable pay of an individual if the or she is not currently in repayment... and if the amount deducted for any pay period exceeds 15 percent of disposable pay.

This provision overrides all applicable state law, and allows for the garnishment of wages before an administrative order is issued. Defaulters are given notice and an opportunity to make a payment arrangement.

After the completion of this administrative offset process, your employer may be required to withhold income before you are paid, if your employer does not comply with the law against your employer.

Because the use of this federal wage offset law could reduce your take-home pay, you will have a chance to establish a satisfactory payment arrangement so you can continue to make reasonable terms. We are hoping we can reach a satisfactory agreement with you.

Call 1-800-295-8094 to stop your take-home pay from being substantially reduced.

This is an attempt by a debt collector, to collect a debt and any information obtained.

As of the date of this letter, the balance shown is owed. Because interest may be on the outstanding portion of the balance, as well as late charges and other charges that may be required to pay the balance in full on the day payment is sent may be greater if the amount stated here is paid, an adjustment may be necessary after a payment is made. If an adjustment will occur of any adjustment in the balance, before any payment is made, please contact us at the address on this letter, or call 1-800-295-8094.
